'PLAYING THE WICKED WITCH'

Taking part in the junior production The Wizard of Oz, has been an amazing experience. Playing the wicked witch has made it even better. Although fun, rehearsing has been very hard work and a great challenge. Stepping into the shoes of an evil woman, I have been pushed to the limits, having to wear a skirt, hat and green makeup! The crew work incredibly hard to transform the JJ Hall into a theatre which makes performing a whole lot better. I have loved every moment.

AARON GILLETT

'TAKING OVER A ROLE'

With the unfortunate breaking of Humza Rafi's (the original Cowardly Lion) collarbone, I was asked to step up and take over his role only 2 weeks before the show. Only after accepting this, did I think to myself: '*What have I got myself into..?*' However, right from the first rehearsal, all the stress of this task was gone, as I remembered how much fun it is to work on a production at school with Mr Kavanagh.
